COOKING WITH THE FORCE

SEQUENCING

1. Use a push up pop to cut pieces of cake in the shape of a circle.

2. Then mix blue food coloring and white frosting together.

3. Spoon blue and chocolate frosting into decorating bags.

4. Next, take a piece of cake and put it in a push up pop container.

5. Then, use the decorating bag to squeeze frosting in the push up pop.

6. Put one more piece of cake and layer of frosting in the push up pop container.

7. Finally, top your frosting with gold or silver sprinkles.
